

**TOWARDS  
EXCELLENCE**

---

*Applying to the UFAR, you choose a qualifying course that will open the doors to a rich professional career. Choosing the UFAR is opting for hard work. It's choosing a road where work, diligence, honesty, effort lead to success. To choose UFAR is to **strive for excellence**.*

**Prof. Jean- Marc Lavest**  
**Rector of the UFAR**

## 20 YEARS OF EXISTENCE

The French University in Armenia (UFAR) is an intergovernmental university delivering dual national degrees in Armenian and French bachelor's and master's degrees. It was created in 2000 by the Armenian and French governments.

## OUR MISSION

The UFAR's mission is to prepare high-level specialists corresponding to the demands of the Armenian labor market, able to apply their international skills, knowledge and know-how to the benefit of the economic development of Armenia and the relations between Armenia, France and Europe.

academic partners

- Jean Moulin Lyon 3 University since 2005: [univ-lyon3.fr](http://univ-lyon3.fr)
- University Toulouse 3 Paul Sabatier since 2018: [univ-tlse3.fr](http://univ-tlse3.fr)

\* upon graduation, students are awarded  
diplomas from these universities in  
addition to the Armenian diploma

# WHY CHOOSE UFAR?

## Quality education

Armenian and French teachers (70 per year), professionals in their fields, working in renowned companies

## Active student life

existence of different student clubs and facilities (intellectual club, theater troupe, UFAR outdoor, UFAR sport, UFAR startup)

## Foreign Languages

knowledge of French is not compulsory at the entrance but obligatory throughout the whole cycle of studies (in addition to 2 other foreign languages)

## New campus

a new campus under construction to make UFAR an international and innovative university

## Network of alumni

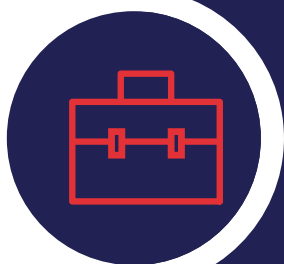

more than 2250 alumni of UFAR have the possibility to be in touch with one another through the Alumni Association

## International relations

- International internships abroad (more than 60 internships per year)
- possibility to participate in Erasmus+ one-semester mobility abroad in the second cycle of education

## Job Placement

- more than 93% of the alumni are professionally engaged, 40% found their first job throughout their studies (survey conducted for the years 2016-2019)
- UFAR supports its alumni in the elaboration of professional project and in the process of searching for work

## OPEN HOUSE DAYS

The University organizes Open Days twice a year, in autumn and spring, to present its trainings and exams. Candidates then have the opportunity to meet and interact with students, teachers and management.

# THE NEW UFAR20 + CAMPUS

---

In 2020 the French University in Armenia will celebrate its 20th anniversary. The UFAR20 + project is the creation of a new university campus that will allow UFAR to be innovative, open up internationally and guarantee optimal study conditions. **UFAR CAMPUS 20+ WILL BE IN THE NEIGHBORHOOD OF EU - TUMO CONVERGENCE CENTER.**

---

In 2019, in partnership with the European Union and TUMO Center for Creative Technologies the UFAR launched the project of the EU-TUMO Convergence Center for Engineering and Applied Science ([www.convergence.center](http://www.convergence.center)). This center will integrate the Faculty of Computer Science and Applied Mathematics of the UFAR. **THE UFAR20+ PROJECT WILL ENSURE THE RELOCATION OF THE ENTIRE UNIVERSITY TO THIS CENTER. RELOCATION TO NEW PREMISES IS FORESEEN AT THE BEGINNING OF THE YEAR 2023.**

---

To achieve this project, a fundraising of

**3 million  
Euros**

was launched under the high patronage of the President of the French Republic Emmanuel Macron.
